### **POLICY STATEMENT**

#### **1. VALUES**

**Wilson Street Kindergarten** is committed to:

- Providing a safe and healthy environment for children participating in the Bush Kinder program.
- Facilitating a Bush Kinder experience in a variety of (safe) weather conditions, including rain, to allow children to experience nature across as broad a spectrum as possible and without compromising the safety of the participants.
- Ensuring clothing worn by children in the program allows for maximum comfort, free movement and does not obstruct the children in their activities in the Bush Kinder setting.
- Facilitating communication to parents to ensure compliance with this policy.

#### **2. SCOPE**

This policy applies to children, parents, staff, committee members, authorised persons, volunteers and students on placement working at Wilson Street Kindergarten.

#### **3. BACKGROUND AND LEGISLATION**

Wilson Street Kindergarten's Bush Kinder program is intended to operate across a broad spectrum of weather conditions, allowing children to experience nature and its elements across the seasons. Whatever the weather, children are encouraged to take the lead in playing, exploring and learning in a bush or natural environment. For this reason, there are some particular clothing requirements in the Bush Kinder setting that may differ from requirements in a centre-based environment.

Relevant legislation may include but is not limited to:

- *Education and Care Services National Regulations 2011*
- *Education and Care Services National Law 2010*
- National Quality Standard
- Occupational Health and Safety Act 2004
